The Leading Hemp
Manufacturer Since
2013

Industry Leader

We have witnessed the onset and rapid growth of the hemp industry. It has been exciting and challenging to help lead the revolution in hemp-based supplements; a venture we hope to help your business become a part of and/or diversify your available products so more people can purchase them from you.

Sourcing

As someone who has been in the CBD products business since 2013, we have vetted out our suppliers and made sure the products we produce are made from quality raw materials – so we can provide you with consistent products and COAs.

Convenience

- Low minimums
- Speedy turn-around times
- Fresh products
- Friendly & knowledgeable service
- Photo gallery & marketing materials
- Step-by-step instructions for Dropshipping and White Labeling

Quality

We manufacture in small batches to ensure you always receive fresh product. This allows us to offer some of the most aggressive MOQs per SKU in the industry. We also provide COAs for your products upon shipment.

Services

- Wholesale
- White Label
- Custom Formulation
- Dropship

Scalability

In our production facility, we utilize a wide range of hemp extracts to craft full-spectrum, broad spectrum and THC-free products. Our ability to manufacture at a small or large scale means we can keep up with demand as your business grows.

Dropship Program

- Let us warehouse and ship products for you

About the Dropship Program

- We strive to ship orders within one business day (Mon-Fri).
- We must collect your payment before shipping.

How it Works

Sell CBD products without worrying about inventory management and shipping. Once your account is setup with us, below is the process for every dropship order:

1. Sell

Add our products onto your website and start selling to customers. You will be responsible for collecting payment from your customers.

2. Enter Your Orders

Use our online portal to send us orders at any time. We'll process them on the following business day.

3. We Process & Ship

We'll charge you **base wholesale** price for each order and ship them out. We use plain manilla or USPS packaging. Your customers will not see our information, we're a blind partner in this process.

Shipping Speeds & Costs

USPS First Class	USPS Priority	USPS Express
\$8.00 4-7 days	\$12.00 2-3 days	\$30.00 1-2 days

**Prices are based on a typical website order of 1-3 items. We may charge you more if an order is too large or heavy for the requested shipping type.*
